2 Bedrooms Townhouse in Mijas

Mijas

R5530201 – 365.000 €

2 | 2 | 187 m² | 60 m²

Some homes take months to find… and others only come along once. This is one of them.

Set on Calle del Pilar, right in the heart of Mijas Pueblo, this authentic 187 m² Andalusian townhouse brings together everything buyers ask for and rarely find in one place: traditional charm, plenty of space for the whole family, and 60 m² of terraces and solarium with open views of the Mediterranean.

Built before 1970, it keeps the true soul of a traditional village home. Step inside to a bright kitchen-dining area full of character, with its classic checkerboard floor, wooden furnishings and a beautiful staircase clad in handcrafted tiles connecting the different levels. The spacious, welcoming living room is the perfect place to gather after a day at the beach or strolling through the village.

The property offers 2 bedrooms and 2 full bathrooms, plus a versatile multi-purpose room ideal as a studio, home office, workshop, playroom or extra space for guests, and a handy laundry room.

But the real gem is upstairs: a large solarium with terraces on several levels, outdoor dining areas and views over the sea and the whitewashed houses of Mijas. Breakfasts in the sun, dinners at sunset and summer nights you won't want to end.

And all without needing a car: restaurants, shops, viewpoints, the main square and the village's most charming corners are just a short walk from your front door.

An ideal choice for family getaways or as a holiday rental investment in one of the most visited and sought-after villages on the Costa del Sol, where sea-view homes in the historic centre are becoming harder and harder to find.
