WONDERFUL TOWNHOUSE divided into three floors, which give a unique comfort and style to the home, distributed in a comfortable way to make the most of its large space.

It consists of a spacious living room with fireplace and terrace that communicates on one side to a patio and on the other side to the private garden with views of the pool.

A good sized entrance area with the patio changed to an office under and a guest toilet. The first floor offers three bedrooms – all of them with own terrace and two bathrooms, one of them on suite. On the rooftop terrace you have lots of space and fantastic views. A separate guest toilet at the entrance and in front of the house the Carport.
