and bathroom, its self contained with its own seperate entrance. The main living area, which needs full renovation, offers two bedrooms with ensuite bathrooms, a guest toilet and dining-lounge area and a fully equipped kitchen.

It has also garage space for 1 car and plenty of storage space, the land is 1084 m2 and needs complete landscaping and a pool built. All the m2 are fully registered and if potential buyer interested in adding an additional floor they would have to remove some m2 from the main area. Overall a project with a lot of potential due to its location and plot size.
