Vilas is a totally innovative residential concept, where its inhabitants can enjoy the independence that provides a "Villa" without having to give up the community services and facilities that live in a complex.

The residence is completely closed and private, with a spectacular and unique entrance that gives access to 6 impressive "Villas" with avant-garde design and elegant lines. Así sameo, en esta entrada se encuentra la reception y caseta de vigilance para seguridad privada.

Impressive free spaces and gardens around the "Villas" give a new concept of an exterior swimming pool of almost 180 m² and another of 36 m² for children, both with salt water.

Vilas6 fusiona a la perfección los beneficios de los que se disfrutan en una vivienda unifamiliar con todas

las comodidades que proporciona un complejo residencial.

The residence consists of 6 "Villas" (4 semi-detached and 2 semi-detached) with 3 bedrooms with a total surface area of 673 m², plus private gardens and outdoor areas of more than 152 m². Each one of the houses has 4 parking spaces in the basement of the residential community.

The orientation and position of the complex make it possible for natural light to flood the residential complex for most of the day, filling the "Villas" with luminosity through its incredible windows, not only from outside but also from its impressive central patio.
