Introducing a stunning brand new modern villa nestled in the prestigious area The Golden Mile, just steps away from the sun-kissed shores and nestled within a secure community. This exquisite residence epitomizes the perfect blend of comfort and luxury, boasting contemporary architecture and a host of private amenities. Spread across four levels, this villa offers unparalleled living spaces, including a customizable basement and a captivating rooftop terrace complete with a cozy heated pool. The open layout is meticulously designed to maximize both space and natural light, ensuring a seamless flow throughout. A private lift grants effortless access to all levels, enhancing convenience and accessibility. The first level is a haven of tranquility, featuring a lavish master bedroom suite with a designer walk-in wardrobe, a terrace for soaking in the views, and two additional spacious suites, each offering unparalleled comfort and privacy. The basement presents endless possibilities for customization, whether it's a private gym, spa sanctuary, additional bedrooms, or a creative studio – the choice is yours. Nestled in an unbeatable location and
