Large roof terrace with panoramic view! The apartment has a very nice open floor plan between the kitchen and living room. It has a master bedroom and the possibility of two pull-out single beds in the living room. There is a bathroom with a bathtub and a washing machine. High modern standard. It also has two private terraces. A smaller one on the lower floor with a roof and a large roof terrace with space for both a lounge and a dining area for larger groups. The roof terrace has a retractable shade cover that covers almost the entire terrace, which allows you to use the roof terrace as a living room during the day and in the evening can be used under the open sky. The charming residential area was built in 1985 as a typical Andalusian of built up on several levels around a central square. It is picturesque, colorful and beautiful. You can find both apartments and townhouses in the village as well as several small cafes, bars, restaurants and even a bank and a beauty salon. All this contributes to creating the cozy atmosphere. Shops, golf, restaurants - close to all amenities The residential area also has a well-maintained communal pool, close to this apartment, with
