Layout & Investment Potential:

Originally a 3-bedroom unit, the property has been intelligently optimized into 4 bedrooms and 3 full bathrooms (adding an extra bathroom with a walk-in shower). This configuration makes it a high-yield rental machine, ideal for room-by-room rentals targeting professionals or students, with a proven track record of excellent performance.

Key Features:

Outdoor Living: The terrace has been recently enclosed with high-quality Lumon glazing (under warranty), providing a versatile extra living space to be enjoyed year-round.

The Complex: A secure, gated community featuring 24-hour security, landscaped gardens, swimming pools, and a paddle tennis court.

Versatility: While it is "ready-to-go" for investors looking for immediate rental income, its size and location also make it an ideal permanent home for a family.

A solid investment in the heart of the Golden Triangle (Marbella – Nueva Andalucía – San Pedro).
