This very rare and elegant 4-bedroom home, by the well-known, Marbella architect Jacobson/Gonzales is a perfect example of this architect's eye for details and light.

Its location gives a lot of privacy and stunning panoramic views over the golf course and mountains beyond. The big wow factor is when you enter the property and are met by panoramic views through a huge window. This is stunning!

To the left you have the kitchen and a big living room with lots of room for family and friends. Connected to this area you also have terraces with beautiful views.

One of them leads to the garden and a lovely pool area. To the right from the hallway, you have two good sized bedrooms and a laundry area.
