Situated in one of Fuengirola's most well-connected and sought-after central locations, this spacious ninth-floor apartment with lift offers something increasingly hard to come by: generous space, natural light, stunning views and outstanding potential.

Spanning 108 m² across three double bedrooms, a large living-dining room, an independent kitchen, a full bathroom, a guest WC and a utility room, the apartment is in its original condition and perfectly habitable — a blank canvas ready for a full renovation tailored entirely to your taste.

Step onto the terrace and the views speak for themselves: the Mediterranean Sea, the mountains and the city skyline stretch out before you in a panorama that very few homes in the area can match. The kitchen can be opened up to the living room, creating the kind of open-plan, modern layout that is so highly sought after today.
