Ideally located in one of the most sought-after coastal spots, Cabopino Port is known for its charming marina atmosphere, excellent restaurants, and beautiful sandy beaches.

This rare two-bedroom penthouse enjoys a frontline position to both the port and the beach, offering spectacular views and direct access to everything the area has to offer, making it an outstanding option as a second home or high-performing rental investment. The property has been created by merging two original one-bedroom apartments into a spacious open-plan layout. A full renovation has transformed the space into a stylish and contemporary coastal residence.
