A Brief Description of Miramar de los Espartales.

This house has one of those stories that completely captivates you. It was originally built in the 1970s for an American diplomatic couple who, after traveling half the world, chose this corner of Mijas to retire and enjoy life. Curiously, fate would have it that years later the property passed into the hands of its current owner, who, just like the first owners, is also a great traveller. This place must have something truly special for well-travelled people to choose it as their home.
The villa was designed to respect the charm and architectural style of ?Andalusia, ?using ?noble ?materials ?of the ?era that give it ?an ?authentic, ?robust, ?and ?stately ?character. A ?beautiful, comfortable location ?steeped in ?history, ?perfect ?for ?becoming ?your ?next ?sanctuary.
