The bathrooms have been renovated, offering a clean and modern look. These are two adjoining apartments, one with two bedrooms and the other with one bedroom, therefore there are two separate property registration numbers. They were joined by the original builder at the owners' request, so it is possible to separate them and return them to their original state, as each has its own entrance.

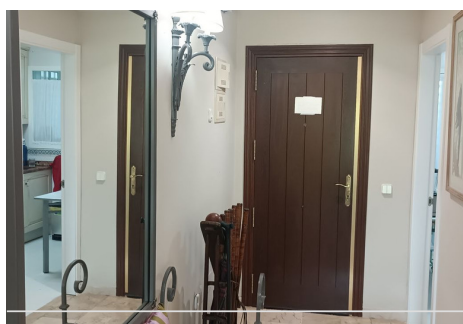

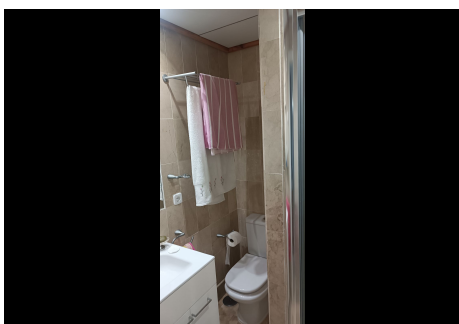

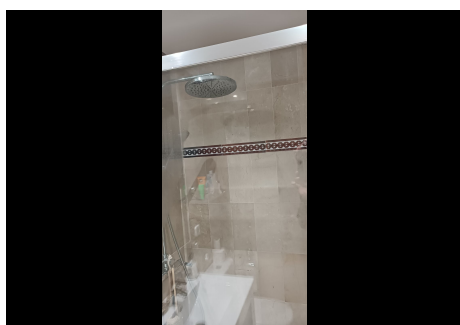

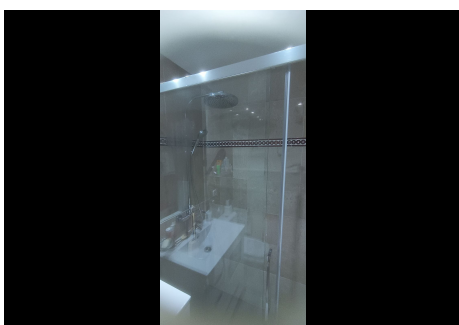

The Costalita Urbanization is a landmark in the area, featuring a pleasant, family-friendly seafront promenade with several beach bars, hotels, and leisure and sports centers, including the Villa Padierna Racquet Club and a children's club. It offers 24-hour security and direct access to the A-7 motorway.
