The villa retains its authentic character and is habitable in its current condition, allowing the new owner to move in immediately. It also presents an excellent opportunity for modernisation. Renovation can be completed gradually, room by room, or approached as a complete transformation into a contemporary luxury residence.

This house is absolutely livable, but could need updating.

The surrounding area is characterised by substantial private villas and prestigious new developments in the million-euro price range, supporting the long-term value of a well-designed renovation.

The location is difficult to improve upon. The peaceful and largely unspoilt Playa del Chaparral, extending for more than four kilometres, is only around 250 metres away. Calahonda and Fuengirola can both be reached in approximately 15 minutes by car.

A rare opportunity for buyers seeking an immediately usable home, a phased renovation project or a high-potential investment in a prime coastal location.
