The villa is built over two levels and benefits from unusually high ceilings throughout, creating a bright, spacious, and welcoming atmosphere. The ground floor comprises an inviting entrance hall, a guest toilet with laundry area, a large semi-open-plan kitchen, and a generous living and dining room with a fireplace. From here, doors open onto a covered terrace and the private garden, providing the perfect setting for outdoor dining and relaxation.

Upstairs, the spacious master suite offers extensive wardrobe space and a private en-suite bathroom. Two additional guest bedrooms enjoy direct access to a wide solarium terrace, while a separate family bathroom serves this level.

The property has been exceptionally well maintained and features underfloor heating in the entire house, ensuring year-round comfort. Additional features include a private carport with space for one to two vehicles and ample guest parking available directly outside the community.
