Penthouse with an 80 m<sup>2</sup> solarium and 180° sea views — Las Buganvillas, Sitio de Calahonda

Most apartments on this stretch of coast give you a small balcony. This one gives you an entire floor.

The apartment is 74,71 m<sup>2</sup> built, on the fourth floor with a lift to the door and nobody living above you. You come in to a small hall with the kitchen immediately on your left — white gloss units, stone worktops, induction hob, and an open serving window through to the dining area. Straight ahead the living and dining room runs the width of the property, south-facing, so the light lasts all day. The sleeping wing opens off to the right: two bedrooms, the main one with a sea view, and two bathrooms, one with a bath and twin basins and one with a shower. Air conditioning throughout, tiled floors.

Off the living room is a covered terrace of more than 20 m<sup>2</sup>, with a retractable awning, a wall heater and sea views. It works as a second living room, and with the heater it stays usable through the winter.

From the right-hand end of that terrace, a private staircase takes you up to the roof. The solarium is approximately 80 m<sup>2</sup> and it is what this property is really about: sunbeds at the top of the stairs, then a lounge and dining area under a retractable pergola, an outdoor shower, and a full outdoor kitchen with sink and plancha at the far end. The view is an uninterrupted 180° over the Mediterranean, and there is nothing above you and nothing in front of you.

Counted properly there is over 100 m<sup>2</sup> of private outdoor space against 74,71 m<sup>2</sup> inside — the outside is larger than the inside, which on this coast is the ?point.

An ?underground ?parking ?space ?and a ?separate storeroom are included. ?The ?community ?is ?gated, ?with ?a pool ?and mature gardens, and the ?beach ?is ?roughly ?five ?minutes ?on ?foot.
