The apartment offers one bedroom and one full bathroom, making it a comfortable option as a permanent residence, holiday home or investment property.

The property is located within a residential complex with a communal swimming pool and communal parking for residents.

The building is currently undergoing renovation works aimed at improving its energy efficiency, with completion scheduled for December 2026. The building does not currently have a lift; however, the homeowners' association has approved the project for its future installation, which is expected to take place in approximately two years.

In addition, the surrounding area is undergoing further improvement and development, with new projects planned nearby, including a future beach club, which could further enhance the area's appeal and the property's potential for appreciation.

An interesting opportunity to acquire an apartment in Marbella, close to the sea, well connected and with excellent potential for appreciation.
