This south-facing three-bedroom apartment is set in central Estepona, just a few minutes' walk from the Old Town and the seafront promenade, while also being close to the marina, shops, schools and everyday services. The property offers bright interiors, a spacious living and dining area with direct access to a covered private terrace, and a separate fitted kitchen with additional utility space.

The apartment would benefit from some modernisation, offering the next owner the opportunity to update the interiors and finishes to suit their own style. The accommodation includes three bedrooms and two bathrooms, , one with a bathtub and the other with a walk-in shower and a spacious reception area. A second terrace adds further practical outdoor space, while lift access and nearby public transport make day-to-day living more convenient.
