This extremely large duplex penthouse really does have the wow factor as well as absolutely panoramic views from all 3 terraces. The property feels more like a house once inside, with a large kitchen diner, a separate dining room, guest shower room and an ample lounge with feature fireplace and access to a large terrace. Ascending up from this area is the huge private roof terrace with areas to soak up the all day sun or sit in the shade and take in the stunning views. On the lower level are 3 enormous bedrooms, including a master ensuite and a very generous separate guest shower room plus two of the bedrooms lead to yet another terrace. There are wonderful sea views everywhere you look. The gated community enjoys a wonderful pool area and Padel tennis court and secure off street allocated parking included.
