Best house in a stunning beachfront development just outside of Estepona town!
This property stands out as it gets top grades in terms of location, urbanisation as well as the actual house.
Located beachfront and within walking distance to Estepona Marina, the urbanization offers 24hrs concierge/security, a spa and a gym on top of the two communal pools.
The house itself, built over four floors, is the biggest type available within the community and is situated at the beachfront offering lots of outdoor space and amazing open sea views
On the ground floor we have an incredible volume living space for the open plan kitchen, dining area and lounge.
The design allows for triple height ceiling in the middle section of the living room and as this is a corner unit, there is plenty of natural light.
